

How to Print the Transport Schedule

Start a web browser

Log into your FSFB account

Click on the Call Center app button

Click on the Donations group button

On the black menu bar at the top of the screen, you should see "Transport Schedule". Click on that.

Transport Schedule will only appear for users who have the Transport Admin privilege.

You will see a display showing available transport dates. Click on the appropriate date.

Click on the Print button at the bottom of the screen.

If you use ^P, it will print too small.
